We understand that there are times  
that you can't be available

00:03:35:15 - 00:03:40:01

00:03:50:01 - 00:03:52:21

to promote reciprocal borrowing between

00:03:52:21 - 00:03:57:15

your network preferences  
and a pay for service

00:03:57:15 - 00:04:01:14

offering paid transaction fees  
to cover the cost of supply

00:04:01:15 - 00:04:04:24

for resource sharing activities  
for participating libraries.

00:04:06:11 - 00:04:07:14

Networks form the

00:04:07:14 - 00:04:10:14

basis of the reciprocal service.

00:04:10:15 - 00:04:13:01

Trove Partners can select their network

00:04:13:01 - 00:04:17:25

Your network preferences

allows you to work

00:04:21:17 - 00:04:24:22

reciprocally

with your colleagues for fee

00:04:24:22 - 00:04:27:22

free borrowing and lending.

00:04:28:08 - 00:04:32:19

Trove Partners can opt into the pay

for peer service if they are seeking

00:04:32:19 - 00:04:36:08

to broaden their resource

sharing pool of available resources,

00:04:36:22 - 00:04:39:28

or if they are primarily lending

00:04:40:13 - 00:04:44:09

in the resource sharing ecosystem

and are seeking

00:04:44:09 - 00:04:47:09

to cover the cost of supply.

00:04:48:03 - 00:04:52:26

This tutorial series is designed for Trove Partners engaging with the service

00:04:52:26 - 00:04:59:12
