Encourage Publishers to deposit

- NED will provide permanent archive of their publications
- NED will enable access for all time to their publications
- Encourage open access

NED will accept all publications that are deposited where they meet criteria.

Where we ask publishers to deposit then depending upon the publisher will be what we ask for:

- Commercial publishers – everything
- Organisations, Community, Businesses, Government Agencies – the significant publications

Website material is collected with domain harvests so will capture material not in NED – hence focus on significant publications.

- Annual reports
- Newsletters, magazines, journals and bulletins
- Research reports and studies
- Commission and inquiry reports
- Budget papers
- Environmental impact statements
- Community consultation reports
- Discussion and issue papers
- Historical and heritage studies
- Maps
