First language reading and the role of public libraries

Yes, with all language we read, but going back to first language always it's just warm, closer to heart

Quote from participant p8

 Participants were asked how they would feel if they were not able to access reading materials in their own language. Participants used words such as 'disconnected', 'sad', 'disappointed', 'isolated', 'frustrated', 'losing our oxygen', and 'dead'. p9

First language reading and the role of public libraries by Dr Jane Garner https://www.sl.nsw.gov.au/public-library-services/first-language-reading

٠

You can request a box of books in languages other than English for display

How to order

- Use the Multicultural bulk loans request
- You will need to specify one language at the start of the form
- Under *Additional request details* say that you would like a box of books for display in several languages you can specify the languages if you wish
